VIRTUAL CONFERENCE

Due to the COVID 19 Pandemic, the CMJA is venturing into new realms and is holding its 2021 conference virtually for the first time. Where possible we have tried to take into account the time differences so that you are able to participate in the Conference wherever you are in the Commonwealth.

This Conference is a unique opportunity for you to interact with other judicial officers to build the feeling of community with your colleagues. The virtual conference will bring the expertise and knowledge of our distinguished speakers directly to you in your home or your office.

WELCOME MESSAGE FROM *The President of the CMJA*

We are delighted that, despite the continued pandemic and travel restrictions worldwide, the CMJA is able to organise a Conference this year. Whilst we appreciate that holding a Commonwealth-wide virtual conference may not be ideal for everyone, we feel that it is important that we gather our members together once again and we have much to discuss this year in relation to how the pandemic has affected the good administration of justice across the Commonwealth and how we can share our experiences and innovations going forward.

Our Director of Programmes, Judge Shamim Qureshi has put together an exciting programme for the CMJA on “Post Pandemic Innovations”. We all hope that the roll out of the vaccines across the world will take place quickly and that we can revert to our in-person conferences. However, in the meantime we would be delighted to see you online and for you to participate in the CMJA’s first virtual Conference.

His Hon. Justice Mankhambira Charles Mkandawire JA
CMJA President

AIMS AND OBJECTIVES OF THE CMJA CONFERENCE

- To promote better understanding amongst judicial officers of all ranks and from all parts of the Commonwealth of judicial independence issues and to explore the approach to those issues in different parts of the Commonwealth;
- To promote greater awareness amongst the magistrates and judges of the Commonwealth, of international treaties and law relating to the development and access to justice, and to consider the practical application of that body of law;
- To enhance networking within the Commonwealth Magistrates’ and Judges’ Association on judicial developments.
